

CREATE YOUR OWN UNION FLAG

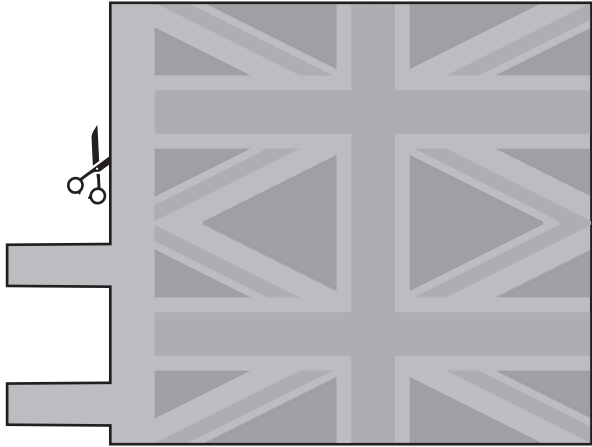

Cut around the dotted
line, and affix to a pole.
Perhaps a straw, or pencil.

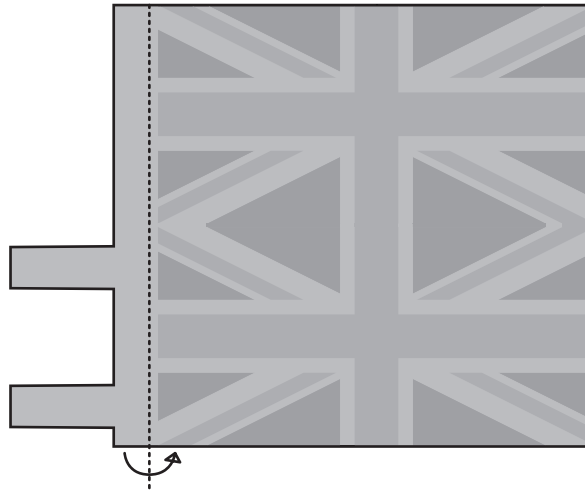

← Fold here

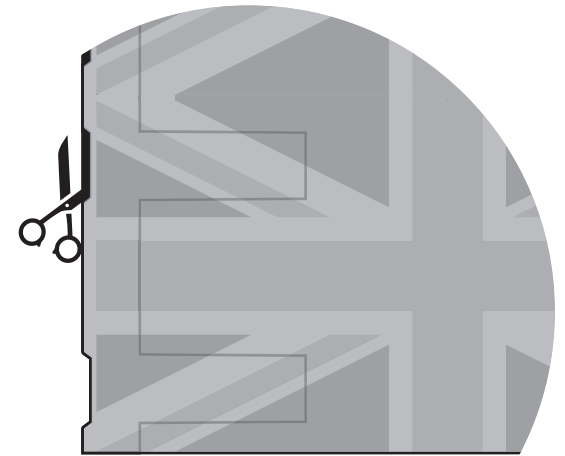

1 Cut around the outside dotted line.

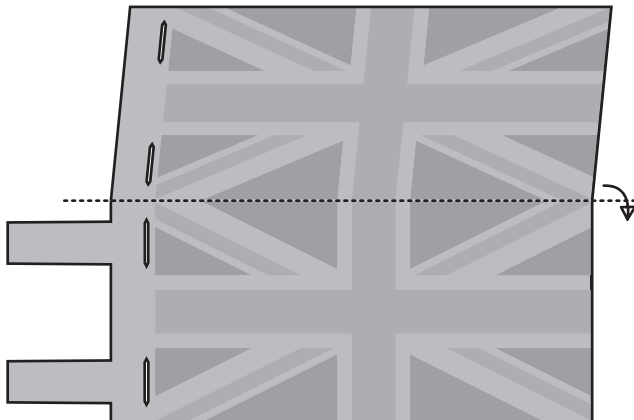

2 Fold along the vertical fold line to make cutting out the slots easier

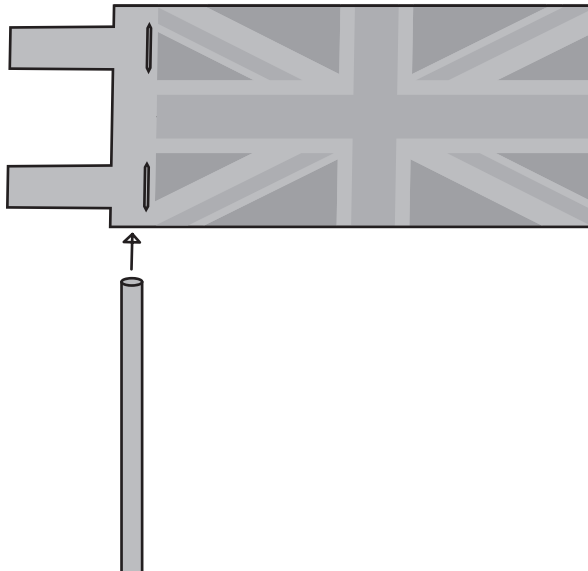

3 Cut notches into the fold line to create slots.

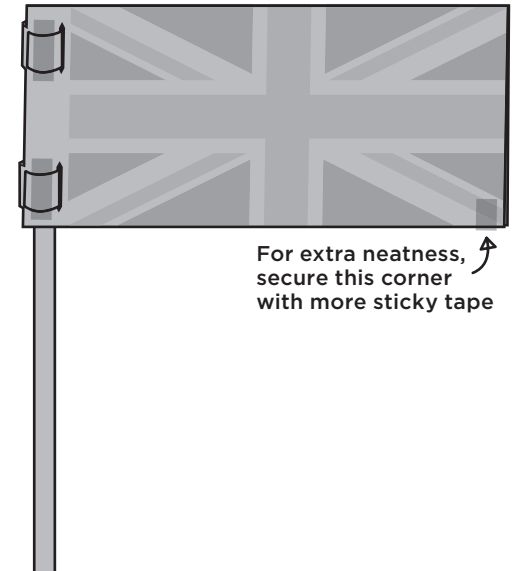

4 Fold along the horizontal fold line to begin constructing the flag

5 Place your stick / pen / straw into fold, aligned with the white tab

6 Wrap the tabs through the slots and affix with sticky tape

For extra neatness, secure this corner with more sticky tape
